# Resident Center Guide

Welcome to the Resident Center! It has been designed specifically to let you easily manage your living experience and make payments online. We've provided some instructions below to help you get up and running— let's get started!

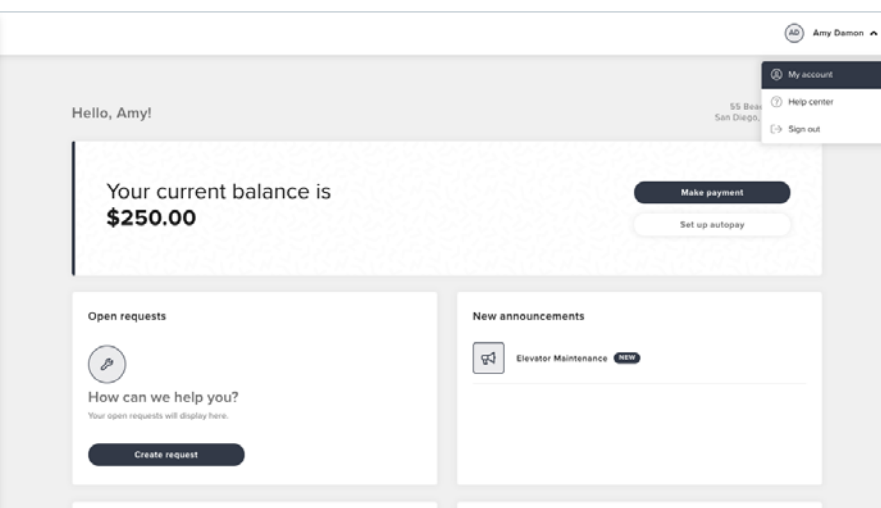

## Create a password and sign in

Your password will be sent in a welcome email. The email will contain the website, login ID, and temporary password to use when you sign in the first time. Sign in using the Resident sign-in box on the right side of the screen. You will be prompted to change your password the first time you sign in.

## 24/7 access from anywhere

The Resident Center is fully mobile responsive and available 24 hours a day so you can make payments, submit requests, or access important documents anytime, anywhere.

## My account

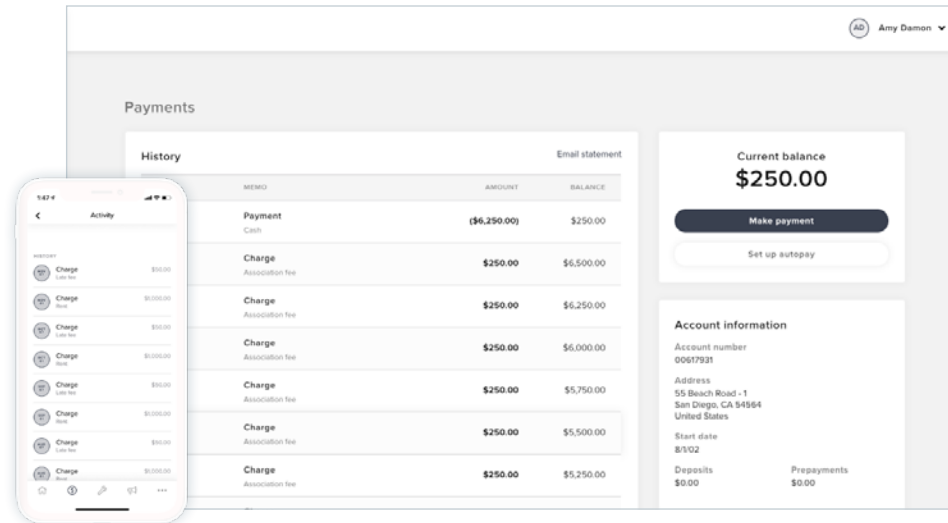

You can use the “My Account” page to keep your contact information up-to-date and to change your password.

You can also add or edit your emergency contact here.

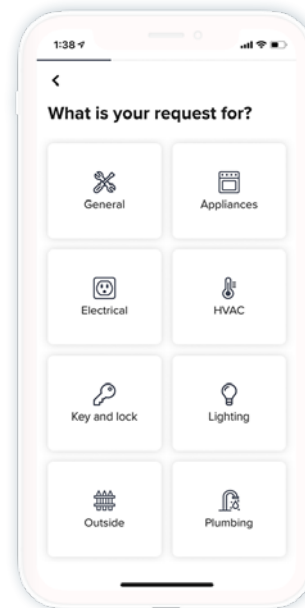

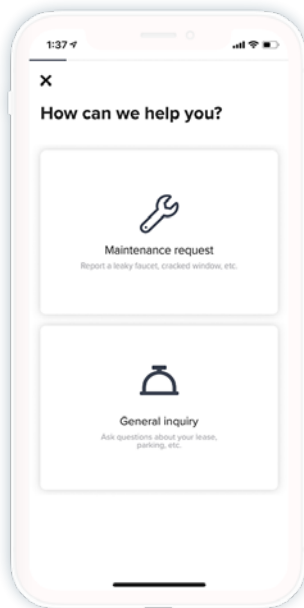

## Payments

The Payments page shows your transaction history - charges, payments, refunds, and more. From here, you can make a one-time payment or set up autopay.

Make a payment online by clicking the “Make Payment” button from the home dashboard or payments page. You have the option to make a one-time payment or set up an automatic payment to process on a regular basis.

You can schedule the payment for a later date—or to pay immediately. Once you make a payment, it may take a day or two for the charge show up on your bank or credit card statement. If an online payment is refused by your bank, it will reflect on the Payments page automatically.

## Requests

The requests page allows you to submit either a maintenance request or general inquiry.

The maintenance request page will allow you to provide the necessary information about your issue in order to get it fixed as soon as possible.

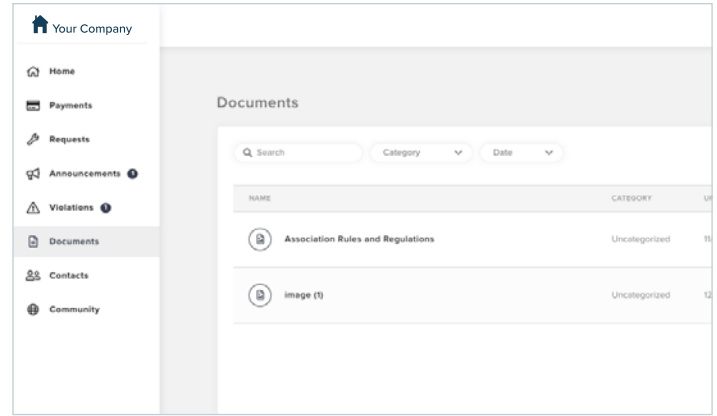

Once submitted, your request is saved and available here. You can come back to the request to check on the status. When updates are made, we'll let you know by email and on this page.

## Announcements

You will receive important news and updates which will be posted on the resident site and also sent to your email.

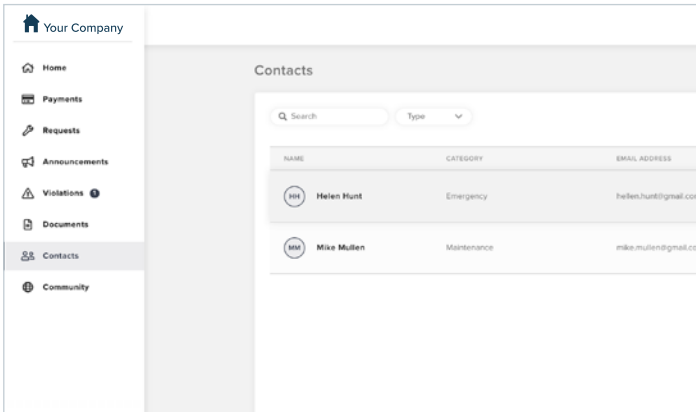

You can log in to the resident site to check for new announcements right on the dashboard.

## Violations

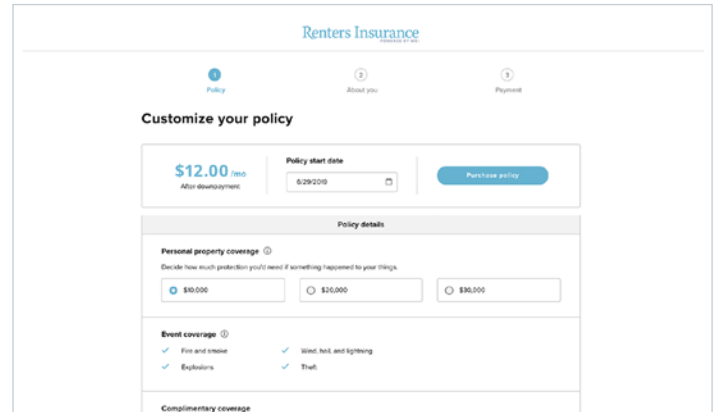

The Documents section shows all files that have been shared with you.

For example, you might find a scanned copy of your lease, move-in report, and local maps of the area on this page.

## Contacts

The Contacts section helps you find your way in your neighborhood. You will find phone numbers and websites of local utilities, municipal services, restaurants, and other useful information here.

## Renters Insurance

Purchase a renters insurance policy and get coverage within seconds directly through the resident site. Protect your belongings for as low as \$12/mo and automatically notify your property manager of your new policy.
